#SUNBELTBSB FACTS/SCHEDULE

Championship Format: Continuing with the 2018 season, the Sun Belt Conference will conduct its baseball regular season with divisional play. Two divisions will be comprised of six teams each, and divisional champions will be awarded at the end of the year based on the winning percentage against all teams, regardless of division. The 2018 Sun Belt Conference Baseball Championship will be seeded with the division winners as the No. 1 and No. 2 seeds, with the No. 1 seed being awarded to the division winner with the best conference winning percentage. The number of teams playing in the conference championship will increase from eight to 10. This would cause two additional games to be played. The first round games will include the No. 8 seed vs. No. 9 seed and the No. 7 seed vs. the No. 10 seed, with both contests conducted as single-elimination games on Tuesday of tournament week. The conference tournament is set for May 22-27 at M.L. "Tigue" Moore Field at Russo Park on the campus of Louisiana.

Senior Class Award: Three Sun Belt baseball student-athletes were selected for the 2018 Senior CLASS Award. Appalachian State's Tristan Helms, Justin Garcia of Little Rock and Louisiana's Dylan Moore were three of the 30 candidates selected. An acronym for Celebrating Loyalty and Achievement for Staying in School®, the Senior CLASS Award focuses on the total student-athlete and encourages students to use their platform in athletics to make a positive impact as leaders in their communities.

Change of Scenery: Appalachian State's first Sun Belt Conference home baseball series of 2018 has been moved to Georgia Southern's J.I. Clements Stadium in Statesboro, Ga., because of winter weather projections for Boone this weekend. The teams are scheduled to play Friday at 5:30 p.m., Saturday at 4 p.m. and Sunday at 12 p.m. in Statesboro. The Mountaineers will be the road team this weekend, as the schools have also agreed to switch the 2019 series from Statesboro to Boone.

Free Baseball?: Sun Belt teams are a combined 13-6 in 18 extra inning games this season. The highlight of those 18 games was UTA's victory over No. 6 Texas A&M on March 13. The Mavericks claimed a 5-1 victory in the longest game in UTA history.

On the Road Again: Appalachian State opened the 2018 season with seven straight road games before welcoming Marshall to Boone for the first home series. The Mountaineers will play 14 of their first 17 games on the road, but the first 11 road games were in-state matchups. The Mountaineers are scheduled to play 40 of their 56 regular-season games in the state of North Carolina.

CONFERENCE NEWS & NOTES

Johnny Bench Award Watch List: Four Sun Belt catchers are on the Johnny Bench Award Watch List which was released March 7. The semifinalist will be announced on May 16 and the finalists will be announced on June 4. The winner will be selected on June 28.

Kale Emshoff, Little Rock
Justin Felix, Arkansas State
Nick Gatewood, Georgia State
Chase Smartt, Troy

Wacky Walk-Offs: With Arkansas State's 9-8 walk-off win over Southern Illinois, the team now has 28 walk-off victories since Tommy Raffo became head coach in 2009. 15 of those walk-offs have now been singles after Drew Tipton's hit March 13 versus the Salukis. Before that the last was when Justin Felix knocked in the winning run of A-State's 9-8 win over Little Rock in 18 innings May 19, 2017.

USA's Swaggerty Top Three in NCAA in Walks: Center fielder Travis Swaggerty enters the week ranked in the top three of the NCAA in walks (24), and ranks fourth in the country in walks per game (1.20). Swaggerty enters the midweek games with 115 career walks, which ranks seventh all-time at South Alabama. Swaggerty is two shy of tying Geoff Doggett (116) for sixth on the list, and needs seven walks to pass Luis Gonzalez (121) for fifth on the career list. Mike Warren holds the career record in walks at USA with 155.

Riding the Streak: Texas State has not lost in 11 consecutive contests, dating back to March 2. It is the longest such streak since 2012 for the Bobcats. They opened Sun Belt play against Appalachian State and swept the Mountaineers, whom they have not lost too.

Dominant Hurlers: Texas State's pitching staff has been dominant throughout the first 18 games in 2018. The Bobcat hurlers have been much improved from last season, beginning with an ERA that currently stands at 2.68 compared to 4.91 through 18 games last season.

Reached Base Streak: Coastal Carolina's Seth Lancaster has reached base in all 22 games played this season for the Chanticleers. Dating back to last season, Lancaster has reached in 27 consecutive. Over his last 12, he has a hit in 10 and batting .373 (19-for-51) with 16 runs, 10 RBI, and seven doubles.

They Walked the Line: Arkansas State and Coastal Carolina played a strange game in Jonesboro on Saturday, March 17. The contest featured 32 hits and 30 walks, with the 30 walks tying for the second most in NCAA Division I history, as well as a combined 40 runs. CCU prevailed 26-14 over the Red Wolves. A-State issued 18 walks which broke the school record of 16, set three different times, and Coastal Carolina's 12 walks tied its school record.

Hardy Leads SBC: Outfielder Dylan Hardy enters the week tied for the Sun Belt lead in hits (28). Hardy has reached base safely in every game this season, carrying a 20-game on-base streak into Tuesday's game, and has hit safely in 16 of 20 games. Hardy also ranks tied for third in the league in at-bats (83), fourth in total plate appearances (99) and runs scored (22).

Tough Schedule: Coastal Carolina has gone 16-7 through the first 23 games this season. The Chants have played a tough schedule, going 10-5 against D1Baseball's top 100 programs list released prior to the season. Of its 18 opponents to date this season, 13 were ranked on the D1Baseball Top 100 programs list released prior to the season including.

M.L. "Tigue" Moore Field at Russo Park

One of the premier college baseball venues in Division I and home of the Louisiana Ragin' Cajuns since 1978. Russo Park has seen a number of renovations over the years. Bleacher seating was added to Moore Field in the early 1990s and in January 2010, the "Tigue" transitioned from a natural grass surface to a ProGrass Synthetic Turf System. A new scoreboard and video board was added to Russo Park in 2013 allowing for player videos and stat updates throughout games. After the 2016 season, the entire grandstand area and press box were removed to make way for an updated facility.

TIE-BREAKING PROCEDURES

The seeds for the Championship shall be determined based on each team's regular-season conference finish. In the event of a tie for a particular seed, the seed will be determined as follows:

Two Teams

1. Highest winning percentage of head-to-head competition during the regular season.
2. Each teams' winning percentage vs. the team occupying the highest position in the final regular-season standings, and then continuing down through the standings until one team gains an advantage.
3. When considering a team that was not played against in the regular conference season, the record against the team is 0/0 = 0.000.
4. When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams. If a team in the group was not played against in the regular season, the 0/0 would be included, but would have no real effect as the winning percentage would be impacted only by the teams played against.
5. If the records are the same against all teams, then the seeded position would be determined by a toss of the coin by the Sun Belt Conference Commissioner.

Three or More Teams

1. Highest winning percentage of the tied teams against each other is first considered.
2. Each teams' winning percentage vs. the team occupying the highest position in the final regular-season standings, and then continuing down through the standings until one team gains an advantage.
3. When considering a team that was not played against in the regular conference season, the record against the team is 0/0 = 0.000.
4. When arriving at another group of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to that group's own tie-breaking procedure), rather than the performance against individual tied teams. If a team in the group was not played against in the regular season, the 0/0 would be included, but would have no real effect as the winning percentage would be impacted only by the teams played against.
5. If there is still a tie, the seeded position of the teams will be determined by a draw conducted by the Sun Belt Conference Commissioner.
6. For all ties involving three or more teams, once the tie is broken and the highest-seeded team is determined, the remaining tied teams will revert back to the beginning of the applicable tiebreaker.
