#### **Head Coach Matt Viator**

### Opening Statement:

"Good afternoon...great to be here and proud to be a part of Sun Belt Media Day. Thanks to Commissioner Benson and the Sun Belt Conference for another great show. We really appreciate it. We are real excited to get started. We're about a week away for us starting here so we're excited. We have a great group of young men coming back to our program this year and have worked really hard in the offseason."

#### Marcus Green (Sr., WR)

## On what game he has circled this upcoming season and playing close to home:

"I got the Ole Miss game circled just simply because it's 30 minutes from home. That's going to be another home game for me, probably for us, the whole team. We played at Memphis last year, but it stormed pretty bad on us, so I didn't have as many people come out as I had. I had over a hundred people coming to that one. I had people buying Ole Miss tickets since the schedule came out."
